Approximately 50% of the first 2 days of this course includes time indoors and about 50% touring outside to evaluate different terrain and snow conditions. The 3<sup>rd</sup> day is about 25% indoors then 75% in the field.

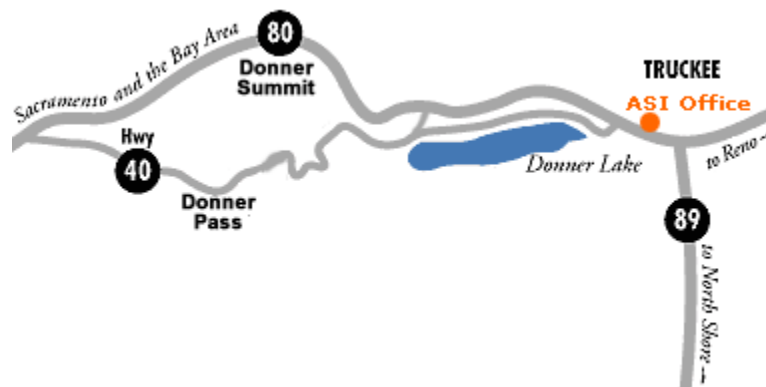

**You may arrive dressed comfortably for the indoor portion of the seminar**, with your outer wear ready to add on before going outside. Each day ends around 5:00pm. Please bring your lunch, snack foods and a hot drink cup for both days.
